

4683

a good quality and sleek american 1970's lacquered oval dining table

1970's

of elegant proportions this versatile and stylish table would work well with either antique or contemporary chairs; having an oval lacquer top and pedestal with a single 18" leaf; the top with inset brass perimeter band; all resting on a conforming travertine base; excellent vintage condition; seats 8 comfortably but could accommodate 12
