

5520

Art Deco Macassar 2-Door Cabinet, in the manner of Emile-Jacques Ruhlmann

Circa 1925

a rare Art Deco cabinet with rectangular top with notched corners above a conforming body fitted with two hinged doors opening to reveal a divided interior; all raised on long sweeping cabriole supports ending in a splayed foot; all in a richly-colored and well-figured macassar veneer; good vintage condition; professionally refinished with small areas of replaced veneer
