

5561

Pair of Louis XVI Style Giltwood and Wrought Iron 6-Light Chandeliers

1940s

in the neoclassical taste decorated in a silver and gold leaf finish; the reeded central support joined at the mid-section with a gadrooned sphere and acanthus leaf collars all above a tapering reeded base ending in a berry finial; emanating six scrolled gilt-iron candle arms supporting beaded bobechees; overall even wear and patina to new gilded surface; in good working order
