Massive Pair of Murano Hand-blown Art Glass Double-handled Urns

circa 1990

each exceptionally large hand-blown vessel with short neck flanked by clear double handles over a large spheroid body; designed by world renowned Hall of Fame interior designer Sally Sirkin Lewis exclusively for J. Robert Scott Furniture; acid etched maker's mark to underside of each "SS L" (Sally Sirkin Lewis); no longer in production; good condition with only minor wear; slight variation in color saturation due to their hand-crafted nature
