Acrylic on Canvas: Abstract Expressionist Painting by Susan Morosky ' Neon Day Field 3'

2010

Susan's energetic, colorful abstract contemporary paintings are based on her study of nature - from flowing water to rolling meadows; her use of thick brush strokes while adding and removing material creates a vivid collage of color and movement; within a thick birchwood frame; signature to lower left and on the reverse; label on reverse; good condition with no visible defects to canvas; minor wear to wooden frame
