

5452

An Exuberantly-carved French Rococo Revival Giltwood Console Table with Marble Top

19th Century

the Calacatta Viola marble top with bowed front and concave sides inset within an ogee molded edge; over a deep apron with rocaille and acanthus carving; raised on cabriole supports with similar rocaille and acanthus decoration with cascading bell flowers all ending in foliate carved feet; joined by an x-form stretcher of alternating C-scrolls culminating in a lively rocaille carved flourish; good antique condition with overall wear and patina with minor chipping; small areas of refreshed gilding; some discoloration to original top with old repair to one corner
